ABOUT THE ITNJ: The ITNJ is constituted to protect and defend the Natural Rights of all peoples of the world. Wherever harm has been done to any living man or woman or any group of People, and all avenues of recourse have been exhausted, without finding remedy or resolve, such cases may be brought before the ITNJ. Wherever justice has been denied, the ITNJ will serve as final arbiter of *Natural Justice*.

The ITNJ is constituted to uphold natural justice as the foundational tenet of human expression beyond the artifice of boundaries and enclosures. There will be no borders limiting or preventing justice for all peoples. The ITNJ is purposed to apprehend the abuses and tyranny of *systems* and *institutions* whose public agents act as if they are above the Law. The ITNJ intends to restore the *Rule of Law* and to restore common dignity and sagacity in jurisprudence, wherever such may be required to uphold the peace.
