BOMBSHELL BEAUMONT ITNJ TESTIMONY SET TO SHOCK THE WORLD!

LONDON, ENGLAND

Issued by: *ITNJ Board of Trustees*

DATE: August 26, 2018

From the high profile case of the 'Missing Beaumont Children' to the infamous 'Mullighan Report,' Rachel Vaughan steps forward with a raw witness account, exposing the horrors of murderous child sex abuse rings in Australia.

This witness testimony highlights the 1966 **"Disappearance of the Beaumont Children"** case in Glenelg Beach near Adelaide, South Australia, unresolved after half a century. It also raises serious concerns regarding the **Mullighan Report**, (a 600-page Royal Commission report of sex abuse against Australia's children in state care over four decades) where the names of perpetrators were suppressed and the truth locked away by the South Australian government for 80 years.

Rachel Vaughan's testimony exposes her own father within a prime pedo-sexual ring, actively prostituting out his own children whilst conducting the murder and disappearance of other victims. Rachel grew up in Edwardstown, South Australia. Throughout her childhood she was abused physically, sexually, emotionally, and spiritually. She now attests to high profile criminal cases, which also involves what is known as Ritual Satanic Abuse (RSA). This is a story of an entire industry involving government personnel, religious institutions, state departments, the justice department, a leading Australian television network, and the medical profession.

Rachel has put her life on the line to expose multiple murders and mutilations perpetrated by her father, whose organised pedo-criminal ring is allegedly still in operation today. Her testimony was heard via a virtual sitting of the **ITNJ's Judicial Commission of Inquiry into Human Trafficking & Child Sex Abuse** on 1st August, 2018 before Judge-Advocate, Dr Chris Cleverly, Commissioner-Criminologist Carine Hutsebaut, and ITNJ Trustees Dr. Nancy Ash and Connie Broussard.

Through its **Judicial Commission of Inquiry** the **ITNJ** is performing a prime function for the global exposure and illumination of ongoing human atrocities by creating a seminal platform for exposure whilst allowing natural justice to emerge. **Volunteer • Donate • Act**

ABOUT THE ITNJ: *The ITNJ* is the world's first **people-powered tribunal** that operates independently of governments and corporations, and is therefore willing to issue rulings against those organizations based on Natural Law, where agents of governments and/or corporations have caused harm or loss to living men and women, and in this case, children.
