SADISTIC RITUAL ABUSE EXPOSED IN ITNJ TESTIMONY FROM DAVID BLESSING

LONDON, ENGLAND

Issued by: ITNJ Board of Trustees

DATE: September 3, 2018

From the latest virtual seating of the ITNJ's Judicial Commission of Inquiry into Human Trafficking & Child Sex Abuse comes yet another harrowing account of an innocent person whose life has been shaped by sadistic ritual sex abuse and trauma based mind control.

David Blessing's testimony details the terrible things he was forced to suffer at the hands of members of his church and community in Minneapolis, Minnesota, unbeknownst to his family. Beginning in 1964 when he was just six years old, David was forced to take part in a satanic ceremony, where he was the subject of drugging, dissociation, verbal, physical and sexual abuse, and was also forced to witness the brutal murder of another child in order to ensure his silence.

David remembered nothing of this nor other events until at 46, through counselling, memories began to return, memories that would begin to explain his lifelong sense of hopelessness, fear and angst, and his inability to maintain relationships or employment.

Through meditation, clean living and counselling David has been able to get his life back on track. His testimony echoes the horrors of so many who are increasingly finding the courage to come forth and tell their stories with the understanding that only through shedding the light of truth can humanity ever truly thrive.

His testimony was heard via a virtual sitting of the *ITNJ's Judicial Commission of Inquiry into Human Trafficking & Child Sex Abuse* on 1st August, 2018, before Judge-Advocate, Dr. Chris Cleverly, Commissioner-Criminologist Carine Hutsebaut, and ITNJ Trustees Reverend Dr. Nancy Ash and Connie Broussard.

Through its *Judicial Commission of Inquiry* the *ITNJ* is performing a prime function for the global exposure and illumination of ongoing human atrocities by creating a seminal platform for exposure whilst allowing natural justice to emerge. **Volunteer • Donate • Act**

ABOUT THE ITNJ: *The ITNJ* is the world's first **people-powered tribunal** that operates independently of governments and corporations, and is therefore willing to issue rulings against those organizations based on Natural Law, where agents of governments and/or corporations have caused harm or loss to living men and women, and in this case, children.
