EYE OPENING ITNJ TESTIMONY FROM FIONA BARNETT

LONDON, ENGLAND

Issued by: ITNJ Board of Trustees

DATE: September 7, 2018

Chosen for her particular bloodline, high cognitive abilities and physical prowess, Fiona was a perfect subject for MK ULTRA mind control programming, which allegedly took place in numerous universities and underground facilities both in Australia and abroad. Other nightmarish crimes allegedly perpetrated upon her throughout her childhood include ritual abuse, torture, the witness of torture and murder, being dressed as a teddy bear whilst hunted for sport at the annual camp at 'The Bohemian Grove.'

***Fiona Barnett's testimony** provides a very clear and detailed picture of global child trafficking, which, she explains, "is run as a single coordinated operation through the CIA in collaboration with British and Australian Intelligence Services."*

In her testimony, she interweaves her personal account with a vast research-knowledge of the history, practices and interconnection between intel-agency child trafficking, Luciferianism, ritual abuse, and *MK ULTRA mind control*, all of which she witnessed and suffered at the hands of.

Fiona was eventually able to escape the cult and has since made numerous attempts to have her perpetrators brought to justice. In 2013 she testified before the Child Abuse Royal Commission about her experiences as a victim of an international child sex trafficking ring. Her story has been publicly derided and she has been prevented from leading any semblance of a normal life.

Her testimony was heard via a virtual sitting of the *ITNJ's Judicial Commission of Inquiry into Human Trafficking & Child Sex Abuse* on 7th July, 2018, before Chief Justice, Dr. John Walsh of Brannagh, His Grace Bishop Riah Abu El Assal (*Jerusalem*), ITNJ Commissioner-Criminologist Carine Hutsebaut, and ITNJ Trustees Reverend Dr. Nancy Ash and Connie Broussard.

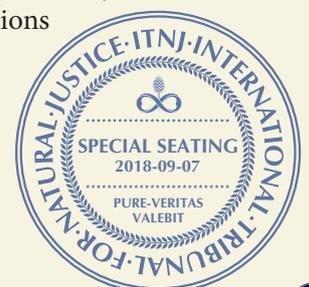

Through its *Judicial Commission of Inquiry* the *ITNJ* is performing a prime function for the global exposure and illumination of ongoing human atrocities by creating a seminal platform for exposure whilst allowing natural justice to emerge. **Volunteer • Donate • Act**

ABOUT THE ITNJ: *The ITNJ* is the world's first **people-powered tribunal** that operates independently of governments and corporations, and is therefore willing to issue rulings against those organizations based on Natural Law, where agents of governments and/or corporations have caused harm or loss to living men and women, and in this case, children.
